Re: FRA-2006-24229

Dear Sir or Madam:

This letter is in response to your recent correspondence that was sent in error to the Brotherhood of Railroad Signalmen, dated March 20, 2006. In that letter, you state in error, that the BRS requested on behalf of Union Pacific Railroad Company that the FRA grant a waiver of compliance with certain provisions of 49 CFR 235 (Block Signal Application). You designated the request as FRA-2006-24229.

It appears that this letter should have been sent to the Union Pacific Railroad Company. The Brotherhood of Signalmen requests that you correct the docket and remove our name from the correspondence. Your prompt attention in this matter is greatly appreciated. For the record the BRS does not support this waiver application.

Respectfully submitted,

W. Dan Pickett
International President
